**Report of Independent Registered
Public Accounting Firm**

To the Member of
GSP Securities LLC:

We have audited the accompanying statement of financial condition of GSP Securities LLC (the Company), a majority owned subsidiary of Emigrant Bancorp, Inc, as of December 31, 2009, and the related statements of income, changes in member's equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of GSP Securities LLC as of December 31, 2009, and the results of its operations and its cash flows for the year then ended in conformity with U.S. generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

GSP SECURITIES LLC
(A Majority Owned Subsidiary of Emigrant Bancorp, Inc.)

Notes to Financial Statements

December 31, 2009

(1) Organization and Nature of Operations

GSP Securities LLC, a Delaware limited liability company (the Company) was established on April 27, 2007. The Company is wholly owned by Galatioto Sports Partners LLC, which in turn is majority owned by Emigrant Bancorp, Inc. (the Parent). Effective August 15, 2008 the Company became a registered broker and dealer in securities under the Securities Exchange Act of 1934 and a member of the Financial Industry Regulatory Authority (FINRA) and commenced operations on that date. The Company is subject to the regulation, examination and supervision of FINRA.

The Company's business is focused in the professional sports industry and primarily involves the earning of fees relating to merger and acquisition, advisory work, referral services and serving as an agent for the private placement of debt and equity activities. The Company does not carry securities accounts for customers or perform custodial functions relating to customer securities and accordingly is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934 pursuant to paragraph (k)(2)(i) of the rule.

(2) Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Company in preparing the accompanying financial statements which conform to U.S. generally accepted accounting principles and practices generally followed in the securities industry:

(a) Basic Accounting Policies and Use of Estimates

The Company uses the accrual basis of accounting for financial statement purposes.

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(b) Statement of Cash Flows

Cash and equivalents consist of cash on deposit in non-interest bearing accounts.

(c) Income Taxes

The Company does not provide for income taxes in the accompanying financial statements. Under current federal and applicable state limited liability company tax laws and regulations, limited liability companies with only one member are disregarded as an entity separate from its owner, unless an election has been made to classify the entity as an association taxable as a corporation. As the Company has not made such an election, the Company will be disregarded as an entity separate from its owner and will not be subject to federal and applicable state income taxes. For federal and applicable state income tax purposes, income or losses are included in the tax return of the Parent. Therefore, no provision for income taxes has been

Notes to Financial Statements

made in the Company's financial statements. The Parent as the member is subject to the New York City Unincorporated Business Tax. If such provision for income taxes had been made in the Company's financial statements, the resulting tax provision would have been \$1,799,725 as a result of the Company's current year taxable income. However, given the Parent's year end tax position, no deferred tax asset or liability would be recorded.

(d) Revenue Recognition

Investment banking fees include revenues from advisory and merger and acquisition (M&A) assignments (net of reimbursable expenses). The fees are recognized as services are performed and amounts are earned in accordance with ASC 605 "Revenue Recognition". Management considers amounts to be earned once contracts and agreements of an assignment have been executed and services have been delivered.

(3) Net Capital Requirements

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed a ratio of 15 to 1. In addition, the Company must maintain 120% of its net capital in accordance with Securities and Exchange Rule 17a-11.

At December 31, 2009, the Company had net capital of \$515,818, which was \$506,457 in excess of required net capital of \$9,361 and the Company's net capital ratio was 27.22%.

The Company operates pursuant to the (k)(2)(i) exemptive provisions of the Securities and Exchange Commission's Computation of Reserve Requirements Rule 15c3-3, as defined.

(4) Financial Instruments Fair Value Information

All of the Company's assets and liabilities are carried at fair value or at amounts that approximate fair value.

(5) Related-Party Transactions

The Company has entered into various transactions with wholly owned subsidiaries of the Parent. The significant transactions are summarized as follows:

(a) Cash and equivalents

The Company maintained \$3,741,178 on deposit with Emigrant Bank in a non-interest bearing checking account at December 31, 2009.

(b) Due to Affiliates

The Company, through an Assignment and Assumption Agreement, dated August 15, 2008, has entered into a Facilities and Services Agreement with 6 East 43rd Street Management

(A Majority Owned Subsidiary of Emigrant Bancorp, Inc.)

Notes to Financial Statements

December 31, 2009

Corp, for occupancy and other services (utilities, maintenance, etc.), and with Emigrant Bank for technology, communications and other operational services. The Company incurred \$118,500 of such expenses during 2009.

The Company incurred \$82,908 of operating expenses, related to regulatory expenses and reimbursable employee expenses, which were paid by and are due to Emigrant Bank as of December 31, 2009.

(c) *Employee Compensation*

The Company's operations are fully staffed by employees of the Parent. Individuals responsible for generating revenue may be compensated by the Company on a percentage of the Company's profits (commission basis). The affiliates of the Parent will absorb expenses related to the salaries and benefits of individuals providing back office support. During 2009 no commissions were paid by the Company, and affiliates of the Parent absorbed approximately \$ 6,400 related to employee and back office support services.

(d) *Expense Sharing Agreement*

The Company entered into an Expense Sharing Agreement, dated January 1, 2009, with Emigrant Bank, an affiliate of the Parent, whereby Emigrant will provide certain services at no charge to the Company. Such services include the use of Emigrant personal property (office supplies, office equipment, etc), the use of Emigrant accounting personnel and other Emigrant employees for regulatory, tax and accounting services, and other support services as needed.

(6) *Financial Transactions*

The Company's financial transactions will primarily involve the collection of fees related to its efforts in providing M&A advisory services, cash placement fees related to serving as an agent for private placement activities, and fees collected related to referral services based on the Company's principals' contacts and relationships in the professional sports industry.

In connection with these activities the Company's credit and market risk exposure is not deemed to be material.

(7) *Subsequent Events*

The Company has evaluated whether any subsequent events that require recognition or disclosure in the accompanying financial statements and notes thereto have taken place through the date these financial statements were issued (February 23, 2010). The Company has determined that there are no such subsequent events.

Report of Independent Registered Public Accounting Firm

To the Member of
GSP Securities LLC:

In planning and performing our audit of the financial statements of GSP Securities LLC (the Company), as of and for the year ended December 31, 2009, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with U.S. generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2009, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, Inc., and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
